

## **Advanced Scar Control**

**\$114**

-With an elegant, invisible texture, this protective scar treatment creates an ideal environment that helps prevent new scar formation and improves the appearance of recent scars by up to 29%.

## **A.G.E Advanced Eye**

**\$116**

-A potent, next-generation eye cream for wrinkles that fights the appearance of dark circles, crow's feet lines, and puffiness, associated with advanced glycation end-products (A.G.E.s), a major factor of the natural aging process.

## **A.G.E Interrupter Advanced**

**\$185**

-A potent corrective cream treatment that helps reverse visible signs of aging impacted by collagen decline and glycation, including wrinkling, laxity, and dullness.

## **Biocellulose Restorative Masque**

**\$21**

-Optimal for sensitive or stressed skin, this highly efficient, supple, sterilized mask creates a protective barrier that helps alleviate discomfort. Clinically tested on compromised skin after chemical peels, this mask can also be used as a bi-weekly replenishing treatment.

## **C E Ferulic**

**\$182**

-A vitamin C serum that delivers environmental protection and improves the appearance of fine lines and wrinkles, loss of firmness, and brightens skin's complexion. Clinically proven to reduce up to 48% of potential damage from pollution, the sun, and metals.

## **Glycolic 10 Renew Overnight**

**\$96**

-This potent glycolic night cream promotes skin clarity and brightness and a triple action-soothing complex to help support the skin barrier. Improves the appearance of skin texture and tone to promote a bright complexion and glowing skin.

## **H.A. Intensifier Multi-Glycan**

**\$120**

-A multi-dimensional volumizing serum with hyaluronic acid that not only plumps and hydrates, but also visibly defines facial contours, fills fine lines and helps stimulate glycans responsible for volume.

## **Hydrating B5 Gel**

**\$90**

-Replenishes the skin for a smoother feel and younger appearance. This oil-free moisturizer combines vitamin B5 with hyaluronic acid, the body's natural hydrator, to help bind moisture to the skin.

## **Hydrating B5 Masque**

**\$70**

-Intensely hydrating weekly gel mask to help in the replenishment of moisture levels.

## **Metacell Renewal**

**\$130**

-A comprehensive daily anti-aging face cream formulated to improve the appearance of early signs of aging.

## **Micro-Exfoliating Scrub**

**\$35**

-Smoothing face exfoliating scrub with hydrated silica effectively cleanses pores and exfoliates to hydrate, soften, and improve skin texture.

## **Phloretin CF**

**\$182**

-A patented daytime vitamin C serum that delivers advanced environmental protection and diminishes the appearance of fine lines and discoloration.

## **P-Tiox**

**\$148**

-A peptide-powered serum inspired by the effects of anti-wrinkle neurotoxin injections, proven to reduce the appearance of 9 types of expression lines and reveal glass skin radiance.

## **Physical Fusion UV Defense- Tinted**

**\$42**

-A tinted SPF 50 sunscreen with 100% mineral filters provides broad spectrum UVA/UVB protection, while promoting natural radiance and a more even skin tone.

## **Simply Clean Gel**

**\$39**

-This unique gel cleanser efficiently removes waterproof makeup and excess oil to leave skin feeling clean and primed for in-office treatments and at-home cosmeceutical use.

## **Triple Lipid Restore 2:4:2**

**\$155**

-Contains the first 2:4:2 cholesterol-dominant ratio to help restore skin's external barrier and support natural self-repair, while potently nourishing aging skin for improvement in the visible appearance of skin smoothness, pores, and overall radiance.
